WILLIE McCOOL MEMORIAL HALF MARATHON and 5K/10K

• Date: September, 2026

The Silent Wings Museum provides the perfect backdrop to "imagine" your run taking you out of this world. Willie McCool was the Pilot of the Space Shuttle Columbia (January – February 2003), a graduate of Lubbock's Coronado High School (1979) and loved running. His legacy will inspire runners, both old and new and we are proud and honored to dedicate this race to his memory.

The half marathon course will have you traveling into outer space through the Lubbock Business Park, past the tree-lined Lubbock Country Club and re-entry through the Lubbock countryside west of the airport. Your mission on the 5K/10K course is to travel around the Galaxy and safely return to the Launch Pad/Finish Line at the Silent Wings Museum. As you run either course, you will discover the world according to Lubbock is, indeed, flat.

CAROL OF LIGHTS RUN

• Date: December 2026

Enjoy the spirit of the season with an evening run on the campus of Texas Tech University. This family-friendly event will have you amazed at the more than 25,000 colored lights that illuminate many buildings on campus. The longer course (5K) will have runners enjoying a lap through Jones AT&T Stadium. Carolers will entertain the runners along the course. After crossing the finish line, all runners will enjoy Santa's treats on a cold winter's night.

A Wish List of items will be collected and donated to Ronald McDonald House Charities

About Us

West Texas Endurance, a division of Southpaw Sports & Entertainment, Inc., is a full service event production company based in the hub of the South Plains - Lubbock, Texas. We promote community involvement by offering running events for the family (including man's best friend) and endurance races such as a half marathon.

Our mission is to encourage active lifestyles and fitness in our surrounding communities by providing first-class events in a family-friendly and supportive environment. We challenge ourselves to create events that utilize the sprawling landscape of the South Plains while appreciating the unique heritage of Lubbock.

Lubbock offers the progressive dynamic of a growing city of 250,000 people, yet with a unique West Texas charm. Lubbock's official elevation is 3,256 feet. Texas Tech University, with an enrollment of over 40,000 students, offers an immediate population for events in Lubbock.
